

**REMARKS**

This Amendment adds new claim 19 and supplements the Amendment filed on October 5, 2007. A Request for Continued Examination is filed herewith, and accordingly, please enter and consider the amendments and remarks filed on October 5, 2007, as well as the new claim submitted herein.

**NEW CLAIM**

Applicants respectfully assert that new claim 19 patentably distinguishes over the cited art. Claim 19 recites "displaying... a **coupon and a privilege** for each of the convenience stores displayed" and "providing the **privilege** to the receiver when the **parcel is successfully delivered.**" As shown in the Amendment filed on October 5, 2007, the cited art does not describe such features. Accordingly, applicants submit that claim 19 patentably distinguishes over the cited art.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
